

# Does your family spend \$200 per month on groceries?

If every UE family bought \$200 worth of grocery cash cards (Genuardis, Superfresh and Giant available) for the 9 months of the school year through the UEPTO, we would be able to **ELMINATE ALL OTHER FUNDRAISING!** You wouldn't have to spend a dime that you would not have spent anyway. This could actually **SAVE YOU MONEY!**

**Please save this flyer. On the back is a complete listing of available shopping cards.**

We will be doing a monthly sale starting FEBRUARY - here is how it will work:

Orders are due the second Friday of the month. Cards will be available the following Thursday. **Only the most popular retailers will be listed on the order form but if you would like to order from one of the other options listed (also available on the website) please write it in.**
