Every Student Succeeds Act (ESSA) Complaint Process

This national education law <https://www.ed.gov/esea> provides a commitment to equal opportunity for all students. Since we have federal education programming, we have a specific process in place if a complaint needs to be filed.

As you know, if you have a concern, your first course of action is to contact the teacher. If the problem is not resolved, your next step would be to reach out to me. Please view Title I [Complaint Resolution Process for ESSA](#) on our Unionville Elementary website under Parents, Title I for the specific complaint process related to federal programming. This fits in with our normal procedures, but I wanted you to be aware of the process.

Thank you,

Michelle Lafferty
